W
WHERE

WFM is a community based, **family-owned and operated** disaster recovery **service**. We offer **debris removal** and **restoration services** after **disaster strikes**.

WFM is **dedicated** to supporting the **water, fire, and mold treatment** and restoration needs of our neighbors throughout New England.

WFM **understands devastating** emotional **impact** property damage from **fires** and **floods** has on **families**.

WFM **puts our clients first**. More than simply restoring your home or business, we work with you on all levels at this difficult time to offer **high quality, high value service** including **facilitating insurance claims** processing.

F
FAMILIES

M
MATTER

WATER: WFM pumps flooded areas, dries them, and finds hidden leaks that can cause more damage.

FIRE: WFM restores smoke damaged property, including floors, walls, furniture, and carpets.

MOLD: WFM cleans mold, treats/sanitizes impacted areas, and prevents new growth.

TESTIMONIALS

“WFM genuinely cares about their customers and always goes above and beyond to help any way they can!”

“Amazing job every step of the way!”

“Extremely happy with the work and care and concern of the WFM team!”

“WFM came to our house for a soot problem. They took the time to explain everything step by step. Very thorough and a great bunch of people.”
